Zero Liquid Discharge System

# Introduction

- Established in 2014 after 17 years of through out experience.
- An ISO 9001:2015 Certified Company
- Expertise in customized Industrial packages based on the Process like Evaporation, Vacuum and Heat Transfer
- Have Manufacturing Unit at GIDC, Vatva having all basic in house facilities like fabrication, machining and testing.
- Executed More Than 62 Projects for Mee.
- We Design, Manufacturer, Supply, Erection and commission systems as per the client requirement.

**Zero Liquid Discharge System**

## We deal in

- Multiple Effect Evaporator (Zero Liquid Discharge – ZLD)
- Product Recovery Systems
- Stripper System
- Agitated Thin Film Dryer (ATFD)
- Caustic Recovery Plant
- Heat Exchanger
- Vessels
- Tanks

**Zero Liquid Discharge System**

# Mission, Vision & Objectives

- Provide the best services to our customers and establish a trust worthy relationship with customers in professional manner. Do best to get higher level of satisfaction.
- We as manufacturer, want to be bench mark stabilizers in the area of technical designs, safety designs, timely deliveries & post services.

# Targeted Industries

- Chemical Industries
- Pharmaceuticals Industries
- Petrochemical Industries
- Agrochemical Industries
- Food & Beverage Industries
- Bulk Drugs & Dyes Industries
- Textiles Industries
- Solvent Recovery Units
- Oil & Gas Processing
